The Story Of Gila

Once Upon A Time In The Old Southwest Lived A Gila (gee-la) Monster Named Adobe Gila. This Lizard Was Known To Be The Largest, Meanest & Only Poisonous Lizard In The Land. This Lizard Took Shelter In The Coolest Saloon In Town. Adobe's As It Came To Be Known Became Famous. Only The Orneriest, COOLEST & Most Courageous Men & Women Ventured Into The Place. Those Who Did Became Famous Themselves.... If They Lived To Tell About It. Legend Has It That Everyone That Ventured In There Had A Screaming Good Time. So Be Brave... Pick Your Poison And Hang Out Here... 'cause It's A Desert Out There
